With a dedicated and innovative team, tackling poverty, social inequity and social injustice has been our mission at Cambridge House since 1889. We work to tackle social exclusion and enable people to transition out of crisis and progress towards independence.

Our vision is of a society without poverty where all people are valued, treated equally and lead fulfilling and productive lives. Our activities are split into two areas - frontline services to support people to stabilise their lives and progress; and a research and knowledge exchange to support the development of the most effective social policy and practice.

Law Centre

Free, independent, and expert legal services in housing, employment, discrimination and welfare benefits law alongside crisis mitigation support.

Independent Advocacy

Statutory Care Act, Mental Health Act and Mental Capacity Act advocacy for adults and children.

Safer Renting

Specialist advice, support, and advocacy for vulnerable private rented sector tenants affected by criminal landlords.

Youth Empowerment

Investing in young people so they thrive as adults.

Disabled Peoples' Empowerment

Supporting disabled children and adults to take control of their own lives and futures.

Research and knowledge exchange

Activities that capture local knowledge, insights and lived experience of 'what works' to develop innovative solutions to poverty, social inequity, and social injustice.

We value diversity and warmly welcome applications from disabled people, the LGBTQ+ communities, people from Black, Asian, and ethnic minority backgrounds and candidates who shared lived experience with our service users.

If you would like to be part of this very special organisation and believe that you can contribute to our mission, we welcome an application from you. For more information about us, please visit our website www.ch1889.org.

Yours sincerely

Karin Woodley CBE

The Cambridge House Law Centre

Enabling people living with complex needs to save their homes, keep their jobs and protect their families

As a Legal Aid Agency accredited provider, we deliver free, independent and expert legal and crisis navigation services in housing, employment, discrimination and welfare benefits law.

Our Law Centre was established in 1894 and we maintain a reputation as one of the country's leading law centres including:

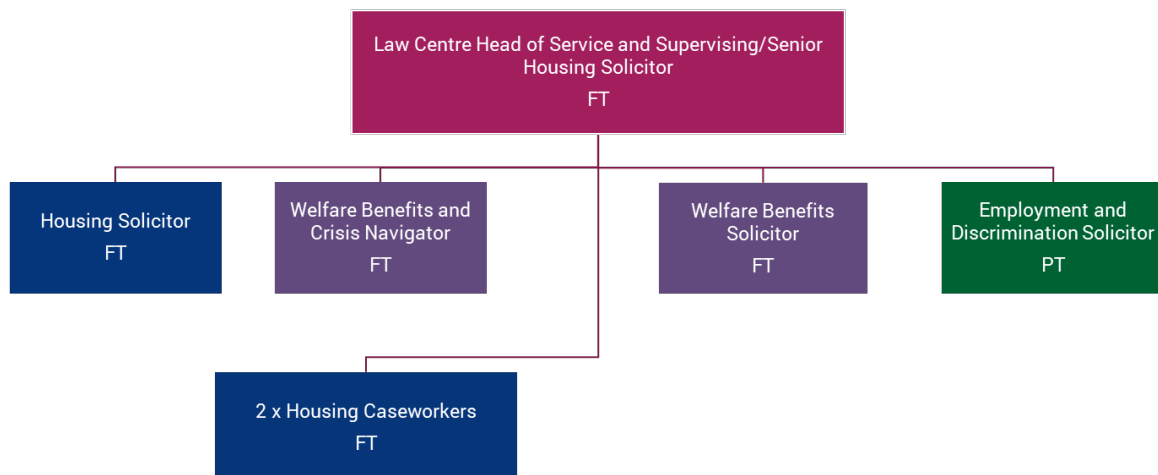

- Recognition as a Centre of Excellence by the London Legal Support Trust
- Lexcel accreditation for quality legal practice management and excellence in client service
- Receiving a 2022 Law Centre's Network award in recognition of our work tackling racial injustice

Q's story

Q is single, in their early sixties and living with diabetes and poor eyesight. Loss of employment during the pandemic forced them to claim Universal Credit and they were evicted because of rent arrears. Our team prevented homelessness by securing alternative accommodation and secured additional welfare benefits to cover housing costs.

The Law Centre holds Legal Aid Agency and Southwark Council contracts, receives funding from a variety of grant giving foundations, and generates on average over £200,000 per annum in legal fees.

The team comprises five solicitors (including the Head of Service and a Crisis Navigator), one housing caseworker and an administrator.

“Through the regular clinics that your Crisis Navigator has been delivering at the Baytree Centre, they have been instrumental in ensuring that the women are aware of their rights, access the support and benefits to which they are entitled and see their issues properly addressed. In addition to these ‘hard’ benefits, this also contributes to ‘softer’ outcomes including improvements in the women’s self-confidence, agency and well-being.”

Anna Iacuzzi, Service Director, The Baytree Centre

Our track record includes

- Achieving a historic recognition of the rights of homeless people by winning a Supreme Court case defining vulnerability and priority of need. This was the first Supreme Court case concerning a homeless individual with a disability in 30 years.

 - 100% success rate in welfare benefits appeals to the First Tier Tribunals encapsulating legal issues for example, overpayment of tax credits or housing benefit. Disallowance of ESA, PIP, DLA.

- Appeals to the Upper Tribunal on point of error of law.
- Cases involving the right to reside, habitual residence test, or Windrush issues.
