Battersea's approach to diversity

Battersea is here for every dog and cat and has been since 1860. We care for animals unconditionally, and we do not judge the owners of pets that need our help. It is this commitment which brings us together as an organisation, and we take great joy and pride in that.

We were founded by a female pioneer, Mary Tealby, who was unafraid to confront convention at a time when women leaders were rare, and animals were not universally loved. Her willingness to challenge the status quo is part of the legacy she leaves with us today, and we celebrate the impact we have made so far because of her vision.

We are ambitious to do more, including helping new populations of animals in new places beyond our centres; and we know we must adapt to the evolving world around us, harnessing the skills, experience, and creative thinking of a diverse workforce to help greater numbers of animals and deliver the impact we all aspire to. And we know that an inclusive environment, where we welcome different perspectives and where staff and volunteers are empowered to be themselves, will ensure we continue to thrive.

We strive to create lasting change for animals and the people that care for them and believe that creating a truly diverse and inclusive Battersea, which is proudly open to all, will be essential in our mission to deliver greater impact for dogs and cats everywhere.

We intend to offer these benefits on an ongoing basis but may amend or withdraw them at any time.

Pension Scheme

Our group personal pension scheme is available to all members of staff. 2.67%	5.33%
3%	6.2%
5%	10.3%
