Recruitment Pack

Welcome

Welcome from the CEO

Dear Candidate,

Firstly, thank you for showing an interest in this exciting and important role.

We are a Greater Manchester charity with a clear purpose to Change Lives Together through movement, physical activity and sport. We lead, support and connect people and partners across the Greater Manchester system to enable Active Lives for All, uniting communities and creating more equal and inclusive places so that people can lead happier, healthier and more fulfilled lives.

We play a strategic leadership role in the Greater Manchester wide movement for movement and work closely with Sport England to support the local implementation of the Uniting the Movement Strategy.

It is an exciting time for our organisation. In April, we launched our two-year Business Plan, which outlines our vision and purpose and underscores our significant role in the GM Moving in Action strategy, a ten-year initiative aimed at increasing activity and reducing inequalities throughout Greater Manchester.

Data shows a reassuring increase in activity levels, not only among adults but also in children and young people who are surpassing pre-pandemic levels and even outpacing national averages for the first time. While these achievements are worth celebrating, there is more work to do.

With confidence in our role and approach, backed by evidence and evaluation, our dedicated team and board are driven by integrity, passion, and purpose. Each of us plays our part, learning together, and finding genuine enjoyment in our work. Together, we embrace the joy of this journey, creating the conditions for exceptional performance and fostering a sense of fun and fulfilment as part of the movement for movement.

I am very proud of the organisational culture we have created together. We place a huge emphasis on being a great place to work. To us this means being a place where we inspire, grow, lead, learn, move and thrive together to achieve our vision and make positive change. We are a values-led organisation guided by passion, integrity and purpose and we invest in our workforce, so we are all healthy, productive, efficient, high-performing, motivated and progressive.

If you want to join us on the next stage of our journey, we'd love to hear from you. We are committed to equality, diversity and inclusion. We welcome and encourage applications from all backgrounds.

Yours sincerely,

Hayley Lever,
Exec Lead & CEO
