

Fundraising Engagement Volunteer

In this role, you will build relationships and connect with people, places and organisations to raise awareness of stroke and the Stroke Association within the community. By making these connections you will contribute to income and improve the experience of people affected by stroke.

What will you be doing?

- Providing a valuable extension to our Regional Fundraising team
- Build relationships with people, places, and organisations in Northern Ireland to create leads for support and to raise awareness of stroke and the Stroke Association.
- Engaging with your local community to represent the Stroke Association while delivering presentations or talks (either face to face or digitally) and attend fundraising events or share your experience of stroke to others.

What will you bring to the role?

You have...

- A passion and enthusiasm for raising awareness of stroke.
- An enjoyment of talking to people and communities, either one to one, or presenting to groups.
- A keenness to demonstrate our [values](#), and to help improve care and support for stroke survivors.
- The ability to travel to venues and events by yourself.
- A willingness to use technology e.g. ZOOM and Microsoft Teams to engage with people outside of your local area, and our intranet and learning platform to access resources and training

What the role can offer you personally:

- Support with learning new skills
- Meeting new people
- You'll have an opportunity to get together (digitally) with other **Volunteers**

- Meeting new people, building a network, and engaging with your local community

Who will be your network within Stroke Association?

- Our Regional Fundraising team
- Other volunteers, both nationally and locally
- Community groups and organisations

Training for this role:

You will have access to **Learn**, our learning management system where you can take part in e-learning.

- Being a **Northern Ireland Volunteer Fundraiser** means increasing your knowledge and awareness of stroke, it's effects and the challenges that people face after stroke.
- Mandatory training: GDPR, basic health & safety, lone working, safeguarding.
- Plus, other stroke related topics that you may be interested in, or that feel relevant to the activities you are supporting.

Where and when you might volunteer:

The role is located in: various locations across Northern Ireland

You will be volunteering for 5-6 hours per month, dates and times to be determined with the volunteer.

The person to contact about this role is: Madeline Donnelly, Relationship Fundraiser on email at Madeline.Donnelly@stroke.org.uk or call 07951 081406.

Our vision is for there to be fewer strokes, and for people affected by stroke to get the help they need to live the best life they can.

Our core purpose is to be the trusted voice of stroke survivors and their families. We want to drive better outcomes in stroke prevention, treatment and lifelong support for everyone affected by stroke.
