**Job Title: Regional Fundraiser for

Support for those affected by sudden death in young people

Welcome from Rhian Mannings MBE, Founder and CEO

It is my pleasure to extend a very warm welcome to you as you consider joining our organisation.

2wish was founded on the belief that no-one who loses a child or young person suddenly or unexpectedly does so without the offer of support to help them through the darkest days.

Since 2012, 2wish has received over 1300 referrals for children and young people who have sadly died much too soon. We have supported over 6,000 individuals and offer support in the immediate aftermath and longer term so that our families know we are always there, in the days, months and years to come.

We are an organisation with family and community at the heart of everything we do. Our families, volunteers, ambassadors, supporters and staff all make a difference and we all share one common belief; that no family should be left without the offer of support.

Would you like to join us and make a difference?

If you feel passionate about supporting those suddenly bereaved and have the skills we're looking for, we'd love to hear from you.

Thank you for your interest in this role.

Very best wishes

Background of 2wish:

In 2012, Rhian Burke lost her son George suddenly in an emergency unit in South Wales. Despite the amazing staff, who showed support and empathy at the time of death, the family walked out into the dark of the night with nothing, heard from nobody and were left alone to deal with the shock and trauma. Five days after her son passed away, her husband Paul died by suicide, inconsolable and consumed in grief. Still nobody came. 2wish (formally 2 Wish Upon A Star) and the following support services were established as a result of this tragedy and are today being implemented in partnership with every health board, hospital, police force, coroner's office and mental health team across Wales.

Objective:

2wish exists to provide support to anyone affected by the sudden and unexpected death of a child or young person aged 25 and under.

Aims:

- Ensure every Emergency Department and Critical Care unit has a suitable bereavement suite
- Ensure that bereavement boxes are available at each of these hospitals
- Ensure that immediate bereavement support is available for all affected by the sudden death of a child or young person
- Provide a professional counselling service and other therapies for those affected by the sudden death of a child or young person
- Provide support to individuals who witness the sudden death of a child or young person
- Provide support and training to professionals from any sector who may be affected by the sudden death of a child or young person
- To advocate and campaign on behalf of suddenly bereaved families

2wish Cymru and 2wish :

2wish has been established since 2012 and has grown from strength to strength. During this time, we have worked tirelessly to embed our service and ensure that the offer of support is made at the point of death.

We offer an immediate, consistent, high-quality and compassionate service to all individuals affected by the sudden and unexpected death of a child or young person aged 25 and under in Wales. We work in partnership with professionals who refer into the charity on behalf of the families, so they don't have to trawl through the internet for an organisation who may, or may not, be able to support. We provide immediate, and ongoing, support and are here for as long as our families need us.

However, we know that gaps in support for those suddenly bereaved still exist outside of Wales. And so we are expanding into England!

At the start of 2024 we expanded the geographical area where we deliver our service, and have recruited a brand new team to support service users in the border counties, namely Cheshire, Shropshire, Herefordshire, Worcestershire, Gloucestershire and Somerset. This is the first of several phases of expansion and the aim is to deliver our service throughout all England and Wales in the coming years.

Context of role:

2wish supports anyone affected by the sudden and unexpected death of a child or young person aged 25 and under. We are a largely self-funded charity providing support across Wales and more recently, in the bordering counties with England. Our support team works very closely with our fundraising team to increase income but also to raise awareness of the work of 2wish.

This is a unique opportunity for the right individual to raise awareness of the charity, building its profile and engaging communities in West Wales. It will involve helping to organise fundraising events, working with volunteers and encouraging community fundraising opportunities.

Main duties:

1.0. Service:

- 1.1 : To help raise awareness of 2wish and the work we do in West Wales
- 1.2 : To work alongside the support team in Wales, and to build on the reputation of 2wish
- 1.3 : Research, approach and engage community groups and local supporters using mechanisms for engaging their support to develop additional sources of income
- 1.4 : To liaise with the public in West Wales who are fundraising for 2wish
- 1.5 : To support the delivery of community and corporate events, and monitor the income raised
- 1.6 : To attend community and networking events where necessary
- 1.7: To actively participate in and collaborate on financial planning for West Wales, as a business unit, during regular fundraising meetings
- 1.8 : To submit an annual business plan and budgets for the West Wales fundraising team
- 1.9: To submit monthly and annual reports to the Fundraising Manager as required and work to monthly targets
- 1.10 : Supporting the 2wish Fundraising Team with events and community fundraising
- 1.11 : Working with the Volunteer Coordinator to identify and secure volunteers and ambassadors, meeting them regularly and maintaining engagement
- 1.12 : Maintain relationships with all donors including attending cheque presentations
- 1.13 : To work flexibly, travel, and make overnight stays when required
- 1.14 : To attend weekend and evening community events in support of the charity when required
- 1.15 : A 'hands-on' and 'can-do' attitude
- 1.16 : Contribute on the social media platforms maintained by 2wish

2.0. General Responsibilities:

2.1: To be responsible for organising own work agenda, time management and administration

2.2: To maintain a high degree of confidentiality in accordance with the charity's policies

2.3: To work as part of a team

2.4 : To attend meetings as necessary - both virtually and in person

2.5: To show respect and sensitivity for the cultural and religious beliefs of families

2.6 : To undertake training to update skills as necessary

2.7 : To contribute to the evaluation and monitoring processes to ensure effectiveness of services and activities provided

2.8 : To adhere to all health and safety procedures with regards to working off site

2.10 : Participate as and when required in team meetings and one-to-one meetings, and undertake, as appropriate, courses/training/other developmental activities, which is relevant to the role

It is the nature of the work that tasks and responsibilities are, in many circumstances, unpredictable and varied. All employees are therefore expected to work in a flexible way and tasks which are not specifically covered in their job description may have to be undertaken. You will be subject to performance review, which will incorporate a review of the above duties and performance over the period.

This role is subject to a DBS check.

A Family Story by Ady Smith - Ella's Dad

The 13th of June 2021 was a wonderfully sunny day. Little did we know that, before the day would end, our lives would be thrust into despair and changed forever. Our beautiful daughter, Ella, had been enjoying the day with friends, before she was involved in a road traffic collision and tragically lost her life at the scene of the accident. In a cruel twist of fate, I was one of the responding Fire Service personnel.

Ella was a caring young lady who had a heart of gold and would go out of her way to help others, could be described as a social butterfly, and loved her family and friends. Ella always had a smile on her face, was a bit of a prankster, and always full of fun.

In the immediate hours following Ella's death, we were being supported by our Family Liaison Officers (FLO) when she asked, what upon reflection was such a vital question; "Would you be happy for us to refer you to the charity 2wish?" The FLO went on to explain a little about the charity, although we had some awareness of their work from their social media channels.

At this point we were in a daze, we didn't know what to do or where to turn, within less than 24 hours 2wish had dropped into our lives (and have been with us ever since). Nicole contacted us and provided a sense of calm in what we would now describe as a time of complete chaos.

The 2wish team visited Ella and were able to provide us with memory boxes that included her handprints and a lock of her hair, this is something we thank them so much for. The boxes bring us great comfort and we believe they will continue to do so as we move forward with our lives in a very different way, carrying our loss.

The support didn't and hasn't stopped there, through the charity we have all been supported by bereavement counsellors and this has also extended to wider family and very close friends of Ella's. Ella's brother has been supported by Ellie, the young person coordinator, and he finds these sessions a welcome break and an opportunity to talk. Ella's sister, whilst not having support currently is aware it is there when needed no matter how far in the future. I have been receiving specialist PTSD counselling arranged by 2 wish and have attended complementary therapy sessions organised by the charity too.

A standout memory for us would be the video message Ella's brother received from Dan Biggar (his hero), the happiness in his eyes will long live with us all, and something we will never be able to thank 2wish enough for.

Every one of us has had different needs, the staff at 2wish have been amazing, they have gone out of their way to find solutions to our challenges, and we honestly do not know where we would be without their support, guidance, and friendship.

Through tragedy we have connected with some wonderful people, 2wish will always be there for us, as a family we will always be there to support the charity, raise money, and attend events to ensure the amazing work they do continues. The impact they have had on our lives can't be measured and we want to help ensure other families benefit in the way we have.
