

## Retail Support Volunteer – Ad Hoc

**Where?** Pop Up Stores

**How often?** Across 2 days

### The opportunity

We are looking for volunteers who have a keen eye for detail, an interest in fashion and a passion for supporting sustainability to join our retail team across the two days that we are in the university campus.

Tasks and responsibilities include but are not limited to:

- Set up/replenishment – setting up rails, tidy and replenish stock.
- Marketing support – hand out flyers, create social posts and other support spreading the word about the event and Newlife.
- Fitting room advisor – welcome customers in to the fitting rooms, check them in and advise on outfits, obtain other sizes for customers.
- Cash desk – helping pack and sign customers up to Newlife Style Card.

All volunteers will receive a volunteer discount of 20% that can be used on any item of stock during the two days that the pop up store is running – which is a bonus on top of our already discounted prices!

You will be provided with the relevant training appropriate for your role and will be supported by our experienced retail team.

The pop up will be open from 10am – 5pm on day one (set up from 8am) and from 10am – 4pm on day two.

### Why volunteer with Newlife?

At Newlife, we want volunteering to be an exciting and fulfilling opportunity that allows you to gain new skills, confidence and experiences whilst making a difference to the lives of disabled children and their families across the UK.

### What are the benefits of volunteering?

Volunteering provides many personal, professional, and social benefits such as building confidence, improving mental wellbeing and providing unique experiences. Many of the skills gained through volunteering can be added to CV's or application forms for other roles, both voluntary and paid.

Newlife are happy to provide references showing your commitment to the charity that you can use for future roles.

You will be entitled to an exclusive 20% volunteer discount across the 2 days that our pop up is in your area. This is on top of the bargain discount prices that Newlife already offers!
