New Horizon Youth Centre

Outreach Worker – RS002

Job Application Pack, May 2024

Dear applicant,

Life is not linear. Nobody knows that better than the young people who come to New Horizon Youth Centre. While the thousands of stories they tell us every year are as different as they can be, one thing unites them: their current experiences of homelessness do not define them or where they will end up. Indeed, as one of the young members of our Women's Space told us, sometimes you have got to go through the darkness to get to the light.

During the last few years COVID, cost-of-living and housing crises have created challenges for us all, but young people have felt it particularly acutely. Youth homelessness is currently at unprecedented levels. In 2023, over 20,000 young people in London approached their council because they were, or were about to be, homeless.

To meet these rising levels of need, we are expanding our staff team, services and partnerships. By joining us, you will be part of ensuring New Horizon consistently and powerfully does what it does best: championing young people, collaborating for impact and being determined to find a way to holistically support every young person that comes through our doors.

Whilst making sure that basic needs are met and young people are safe, housed and able to focus on their future, it is also critical that we guarantee that young people, especially those experiencing homelessness who have been systemically denied a voice, are present in the creation of systems that will change and impact their lives for the better.

We are not afraid of being bold and thinking big in response to today's challenges; it requires us to grow our staff team, our collaborations, our funding and our campaigning to end youth homelessness. Staff wellbeing is a crucial part to this journey, along with ensuring that young people are with us every step of the way.

We know that far too many young people find themselves unhoused, unsupported and unsafe. Now is the time to right this wrong and ensure that every young Londoners' potential has a home.

We hope that you'll join us.

Job Application Pack, May 2024

OUR STORY

London is a fantastic city to call home, but a central truth remains in the capital. Every year thousands of young people find themselves unhoused, unsupported and unsafe.

That's why New Horizon Youth Centre exists.

Founded in 1967 by Lord Longford to address the needs of young people who were homeless and misusing drugs in the West End of London, today New Horizon Youth Centre continues to be a vital support network for 16–24-year-olds with nowhere else to go.

Through the services we provide at our day centre, via outreach and remotely, our multidisciplinary team of over 60 staff support thousands of young people experiencing homelessness in London to find safety, improve their wellbeing, develop skills for life and ultimately find somewhere that they can call home.

“For as long as young people are homeless and unsafe in London, we will be on a mission to give their potential a home”

COMMITMENT TO EQUITY, DIVERSITY & INCLUSION

New Horizon Youth Centre is committed to recognising and valuing difference and ensuring fairness and equity; and recognising and seeking to redress inequity and disadvantage wherever possible. We have an ongoing action plan to improve our Equity, Diversity and Inclusion (EDI) practices, which every member of our organisation has a role in contributing to.

As a service provider to young people facing homelessness and who are unsafe, we aim to be an empowering, supportive employer and to offer as much flexibility as possible to help each individual realise their full potential as users of New Horizon Youth Centre and as employees. We believe that this approach is key and central to promoting and developing diversity.

We recognise that true diversity in our community and within the staff group also involves a willingness to act, where necessary, by combating the effects of existing barriers to fair and equal treatment. Within society certain groups are unfairly discriminated against – for example on the grounds of race, gender or gender identity, disability, sexuality, age and class – and are, as a result, disadvantaged in terms of their access to services and employment. We will, where appropriate and where possible, seek to positively redress the effects of this discrimination. Any action we take will be legally compliant and consistent with our approach of making young people and staff feel valued and respected.

We recognise that many people have suffered disadvantage and barriers to progress for all kinds of reasons related to them as an individual and not because of their personal characteristics such as homelessness, employment, economic or domestic circumstances, or involvement with the justice system. For this reason, our commitment to diversity includes being supportive, positive and open minded.

We encourage applications from all backgrounds in respect of ethnicity, disability, gender, sexuality, religion, and socio-economic backgrounds.

New Horizon Youth Centre is deeply committed to inclusive working practices, so during the application process we commit to:

- Reimbursing any childcare and other care costs whilst you are attending interviews.
- Reimbursing your travel costs to the office and back for interviews.
- Making any reasonable adjustments – for example ensuring we have a sign language interpreter organised in advance if you would like them.
- Offering a guaranteed first stage interview for disabled candidates who meet the minimum requirements for the role.

If there is anything else you are concerned about or think we could provide, please let us know.
