Hours:	28 hours per week
Salary:	£27,000 (FTE)
Location:	Swindon
Reports to:	Deputy Service Manager (Wellbeing Services)

Job Purpose

Join a team with a bold mission – at Swindon and Gloucestershire Mind, we are dedicated to reshaping the landscape of mental health and emotional wellbeing in our community. The Young Persons Practitioner will be the forefront of a critical support system for young people accessing our services. Your role is all about providing a collaborative and tailored approach.

What You'll Do:

- **Collaboration and Efficiency:** Work hand-in-hand with existing Mental Health Provision for young people and their families, as well as other local agencies/organisations to effectively support young people transitioning from services.
- **Innovation and Development:** Channel your passion delivering and promoting Young Persons peer support groups. Work closely with primary care, schools and colleges to promote mental health support available via S&G Mind

Why Join Us:

- **Impact Matters:** Join a team where your work directly transforms lives and contributes to a healthier community.
- **Personal Growth:** We offer professional development opportunities that will enrich your career and help shape the future of mental health services in Swindon.
- **Collaborative Culture:** Work alongside like-minded individuals who share your passion for making a meaningful impact.

Together, we can build a brighter, healthier future for Swindon. Your contribution can make all the difference.

Key Responsibilities

- To attend CPA meetings via CAMHS to support young people and their family to transition to Step Down support provided by S&G Mind.

2. Deliver Person-Centred Support to Young People Accessing S&G Mind

- To arrange 121 wellbeing appointments with people assigned for wellbeing support.
- To provide monthly support for young people for up to 12 months with the goal of completing a wellbeing plan (with follow up review appointments) and ensuring the person feels supported to move forwards with their mental health journey.
- To support individuals to develop wellbeing plans based on the 5 Ways to Wellbeing.
- To provide 121 wellbeing support for young people self-referring into the wellbeing service.
- To promote resilience by supporting individuals to develop and maintain their own recovery plans.
- To provide Step Down appointments (appointments can be outreach in the community) for up to 12 months per young person.
- To provide wellbeing step down support for adults being discharged from secondary mental health services as and when needed.
- To support other areas of work and undertake other duties at Swindon & Gloucestershire Mind when needed

3. Development and Promotion of the Young Persons Service

- To lead on the Young Person group – promoting the session externally and encouraging young people involved to be involved with the setup of the session plan.
- To encourage Young Persons to become ‘Experts By Lived Experience’ to help shape the services we provide to meet the needs of young people.
- To deliver the 5 Ways to Wellbeing Programme in schools – working with young people and using a variety of training and facilitation methods tailored to the needs of different groups.
- To work closely with local authority care leavers team to ensure a joined-up approach to supporting young people's mental health.

4. KPI's and Data Excellence

- To effectively record and evidence outcomes achieved by young people.
- To provide social media content on CYP.
- To meet a number of wellbeing plans set as monthly targets by manager.
- To meet a number of reviews set as monthly targets by manager.
- To use ‘Views’ database system or an alternative data software (as appropriate) to capture, track and monitor performance.

General Responsibilities

Job Description

Young Persons Practitioner

The following are applicable to all employees and posts:

1. Guardian of Confidentiality:

Safeguard the privacy and trust of individuals by maintaining meticulous, accurate records and adhering to data protection procedures.

2. Collaborative Data Excellence:

Work harmoniously with colleagues to ensure that our internal systems run smoothly, from record-keeping to GDPR compliance, enabling us to operate seamlessly and securely.

3. Data Mastery and Reporting:

Fulfil general administrative duties, skilfully collecting, monitoring, and reporting data outcomes. Ensure our ICT systems and data recording practices align with the organisation's policies and procedures.
