

BECOME A SANCTUARY VOLUNTEER

Volunteers play a vital role in helping people move from homelessness toward stability and belonging, and in supporting those with a sanctuary seeking background. By giving your time, you can help someone feel part of a community where they are valued and welcomed.

Could you volunteer 1–2 hours a week to offer wellbeing support and practical help as someone adjusts to life in Cardiff or Newport?

GET INVOLVED

HELP BUILD A COMMUNITY OF SANCTUARY

HOSTING

Hosting is for people seeking sanctuary and vulnerable migrants who have no safe accommodation options. Welcoming someone into your home for 3-12 months offers a lifeline. Housing Justice support both hosts and guests during the placement. Hosting is a meaningful way to help someone facing homelessness.

REFUGEE LODGINGS

By becoming a resident landlord, you will welcome a newly granted refugee into your spare room for 6 months. You will earn rental income from your lodger while providing them a period of stability to help them make a sustainable, long-term move on plan.

SANCTUARY CITADEL

Sanctuary Citadel volunteers offer 1-2-1 support to someone with a sanctuary seeking background who is facing homelessness. Citadel volunteers offer 1-2 hours per week, offering practical and well-being support.
