

Schools Triathlon Event Volunteer

Join Team Restless for the most exciting event in the school calendar by becoming a volunteer at the Knight Frank Schools Triathlon.

Every year, over 8,000 young triathletes take part in the Schools Triathlons and raise over £1 million for Restless Development and 100s of different charities chosen by participating schools. It's the UK's largest sports fundraising event for children aged between 7-13 years old.

What will you do?

You'll be welcomed as part of the Restless team and help us to make sure the day is a huge success for everyone involved! Roles could include;

- Meeting and greeting all the athletes

Additional Comments

- This role is great for a one off volunteering opportunity where you can make a real impact on the day.
- No experience is needed for this role. All that we ask is that you bring bags of energy and enthusiasm as the day can be long.
- We need volunteers who are warm and welcoming and also a team player who are willing to get stuck in.
- You'll also be outside and on your feet a lot too so volunteers will need to feel comfortable in this environment.
