Wellbeing Practitioner(Homelessness)

Job Details

Job Title:	Wellbeing Practitioner(Homelessness)
Hours:	35 hours per week
Salary:	£27,000 (FTE)
Location:	Swindon
Reports to:	Deputy Service Manager (Wellbeing Services)

Job Purpose

Join a team with a bold mission – at Swindon & Gloucestershire Mind, we are dedicated to reshaping the landscape of mental health and emotional wellbeing in our community. The Wellbeing Practitioner will be the forefront of a critical support system for people experiencing homelessness. You will be working with people with mental health needs, offering wellbeing support to rough sleepers identified in the borough.

What You'll Do:

- **Collaboration and Efficiency:** Work hand-in-hand with existing Mental Health Provision, well as other local agencies/organisations to effectively support young people transitioning from services.
- **Innovation and Empowerment:** Channel your passion into providing evidence-based interventions, elevating the mental health and emotional well-being of the people we serve, while opening doors to life's possibilities.

Why Join Us:

- **Impact Matters:** Join a team where your work directly transforms lives and contributes to a healthier community.
- **Personal Growth:** We offer professional development opportunities that will enrich your career and help shape the future of mental health services in Swindon.
- **Collaborative Culture:** Work alongside like-minded individuals who share your passion for making a meaningful impact.

Together, we can build a brighter, healthier future for Swindon. Your contribution can make all the difference.

Key Responsibilities

1. Deliver Person-Centred Support to People Accessing S&G Mind

- To support the delivery of the outreach service in relation to the rough sleeper's project, supporting individuals with their mental health
- To arrange 121 wellbeing appointments with people assigned for wellbeing support.
- Develop a wellbeing plan with the service user that they will own and be responsible for. The plan will be based on the 5 Ways to Wellbeing and developed around the strengths, priorities and needs which the service user identifies as being important to them.
- To monitor individual Wellbeing Plans and provide additional support when needed
- To identify alternative options if they are struggling with any of the actions on their plan
- To promote resilience by supporting individuals to develop and maintain their own recovery plans.
- To support other areas of work and undertake other duties at Swindon & Gloucestershire Mind when needed

2. Effective Collaboration with External Agencies and Organisations

- Work closely with care coordinators and other professionals within the NHS Swindon Recovery team
- Work as part of a multi-agency team, based over multiple sites; such as The Haven and Booth House
- Attend monthly rough sleeper panel meetings and meetings arranged by the Rough Sleeper Team
- Attend handover meetings involving care coordinators and service users who have been referred
- To signpost and support the person accessing the service to appropriate additional support services, resources and up to date information either internally or to external appropriate agencies.

3. Development and Promotion of the Rough Sleeper Service

- To lead on the Rough Sleeper group – promoting the session externally and encouraging engagement
- To attend The Haven and Booth House, working as part of a multi-agency team to promote the service

4. KPI's and Data Excellence

- To effectively record and evidence outcomes.
- To meet a number of wellbeing plans set as monthly targets by manager.
- To meet a number of reviews set as monthly targets by manager.
- Capture, track and monitor performance within S&G Mind's systems.
