WELCOME!

Dear Applicant

Thank you for your interest in joining our team as a trustee with financial experience.

Sounddelivery Media is a small, dynamic and supportive charity. We amplify lived experience stories and expertise to address social inequalities. To do that, we work alongside some incredible people and organisations, helping them to develop their confidence, skills and platforms to influence public conversation.

We've achieved much and are already recognised for providing crucial activities in support of civil society and its leaders. You can [read about our impact](#) here. But there's so much more we're ready to achieve, and this is an exciting time to join us.

We're set to launch our three year strategy, pushing forward in our mission to put lived expertise at the heart of media conversations, policy and practice change. It's an extensive programme of work and we need the capacity, skills and talent to deliver it. Your place in our organisation will be key to helping us do that.

We're excited to be advertising this opportunity and pleased that you are considering joining us on this journey. I hope this information pack will provide you with the details you need to make your application.

If you'd like to find out more about the role before applying, please email our Chair Emma Harrison on harrison.emma@gmail.com

Why work with us

Work with us and you'll be joining a small, friendly and supportive team. We are currently a staff team of three, and have six highly-experienced and engaged trustees. You can [read more about the team](#) on our website.

Beyond the core team, we're also privileged to work with a community of determined charities, community leaders and their networks who share our values and mission. We build genuine relationships with the people we support, have a strong track record and receive great feedback from our clients.

About our board of trustees

Our trustees are volunteers who offer their time, knowledge and experience to oversee and guide the charity and its work. They also make sure Sounddelivery Media is financially sustainable, is run efficiently and professionally, and operates within charitable law.

The [Sounddelivery Media board](#) meets at least four times a year – these meetings are usually held remotely over zoom. There is also an annual trustee/staff away day which gives us the opportunity to meet together face-to-face. Occasionally, Trustees are invited to attend some sessions we hold with our Network – this will give you the opportunity to see our work first-hand, although there is no obligation if diaries are too busy.

We are fully committed to ensuring it is as easy and comfortable as possible for skilled, talented people who have never previously participated in charity governance to be welcomed onto the board and make a full and equal contribution.

Trustees are appointed for an initial three-year period, and may then be re-appointed for a further three years. Our existing board has strong experience in key areas including communication, fundraising, governance and community action.

Our vision, mission and values

Vision A world where lived experience voices are at the forefront of public conversation, policy and social change.

Mission We collaborate with community leaders and their networks, developing ongoing relationships, to ensure lived experience and voices are at the heart of policy and practice change. We strive to instil lived experience and individuals' voices in everything we do, and will work towards greater representation and diversity in the voices heard in the media.

Values Our values are at the heart of everything we do. We believe in:

Trust We listen, we learn and, together, we take action

Collaboration We work alongside people to reach their full potential

Connection Connected with which stories need to be told, where and how they can be told to have a lasting impact

Commitment To those we work with and the challenges they face in getting their voices heard. Our work is long term.

"I've gone from standing in the picket lines trying to shout over a sea of other voices to being able to walk in the front door and have a face to face, valued conversation and they are actually listening."
