Smallshaw-Hurst Children's Community (Ashton)

Since 2017 we have been working to empower every child, young person, and family in Smallshaw-Hurst to fulfil their potential.

At the core of our mission is systems change. This means that we collaborate with communities and partners to reshape structures, policies, relationships, and mindsets. By working together, we enable all children to become the very best versions of themselves.

As we complete our registration as a Charitable Incorporated Organisation, we are inviting you to join our new Board of Trustees, as we move from being part of Save the Children UK to working in partnership.

As a Trustee you will play a critical role in ensuring the success and sustainability of our organisation by providing leadership, oversight and support.

Join us as a Trustee (voluntary)

Previous experience as a trustee is welcome, but not essential. Your skills and qualities of compassion, determination, and empathy are also important, as well as your belief that a village can and should bring up its children.

Commitment:

Our board meets eight times a year, with meetings held either remotely or in person, and one strategy day.

This is a voluntary role with reasonable expenses reimbursed.
