ABOUT SMART WORKS

Smart Works is a dynamic, high profile and fast-growing UK charity that dresses, coaches and empowers unemployed women for success at their job interview. After visiting Smart Works, 63% of clients secure a job within a month.

The Smart Works service is delivered in London, Manchester, Stockport, Glasgow, Edinburgh, Birmingham, Newcastle, Reading and Leeds. Over the past eleven years, Smart Works has helped over 40,000 women. It is our mission that any woman who needs our service should be able to find her way to a Smart Works centre.

In April 2022, Smart Works launched a Three-Year Plan that will see the charity double the number of women helped annually from 5,000 to 10,000 women a year. We are on track to achieve this by expanding the reach of our existing centres and opening new centres in areas of need including Bristol; set to open in early 2025.

More information about who we are can be found on our [website](#).
