Truths

StreetVet's values are our truths. They say who we are and how we work, guiding us with everything that we stand for. Our brand, behaviours and decisions should always reflect the fact that we **CARE**.

Compassionate

We show kindness to all, from a pet or owner, to our colleagues and supporters. We work as a team, allowing vets and nurses to re-connect with their vocation.

Approachable

We go to where people need us most. Life isn't easy but a friendly face that listens helps to build trust. Our community is always ready to do our best to support our owners and their pets.

Respectful

We are honest, considerate, aware of boundaries and keep to our word. We treat everyone fairly.

Empathetic

We understand the power of pets and the positive impact they can have on our lives. We use our knowledge and skills to help keep our clients and their pets together.
