

Support Worker

Working mainly in Surrey Heath, NE Hants, Farnham and Woking.

£25,000-£27,000 per year

Full-time, Permanent

Job description

We are a charity that provides support to those living with young onset dementia in Berkshire, Surrey Heath, NE Hampshire and Farnham. Services we provide are age-appropriate and meaningful workshops, 1:1 support, education courses and support groups.

Young onset dementia affects adults under the age of 65. Nationally there are estimated to be 70,800 people living with young onset dementia, with an estimated 900 in Surrey and 679 in Berkshire.

Within this role you will support us in the delivery of our services, with a focus on the provision of workshops and 1:1 support. Examples of workshops delivered within the community are katanuing, singing, walking, reader groups and art. You will work as part of a team delivering our goal to "think differently about dementia". We are looking for someone with initiative, an interest in dementia, who is reliable, creative, fun and caring.

If you are interested, please apply by submitting a CV and covering letter to Charlie.draper@ypwd.info

Please note, applicants must have a full UK driving licence and have daily use of a roadworthy vehicle insured for business purposes, enabling you to travel within Surrey, NE Hants and on occasion, Berkshire. We will also require an enhanced DBS check.

Closing date: Thursday 11 July 2024

Interview date: Friday 26 July 2024

Benefits in working for us include:

- 25 days annual leave plus bank holidays
- Pension Scheme
- Sickness Absence Scheme
- Employee Assistance Programme
- Excellent training and development opportunities
- Free on-site parking at office
