Strategic Goals

Strengthen Baca's holistic service for young forced migrants

Enhance Baca's service to maximise the potential of each young person

Engage locally, regionally and nationally to see a world where child refugees are welcomed, safe and have hope to rebuild their lives for a better future.

Thank you very much for your interest in this role at Baca. We support young people who have been forced to flee their home country, because of war, persecution, or trafficking. We provide the support they need which includes a safe home, education and therapeutic care. The young people we serve have lost the only life they know and have overcome all the odds to reach safety. Their courage inspires us but without support they are at extreme risk of harm and exploitation.

We are committed to providing an inspiring environment that raises hope and strengthens resilience – enabling them to fulfil their potential and become thriving members of the community. We consider it an absolute privilege to be able to walk with them on a daily basis. We take heart from the several positive stories of young people's transition into adulthood, establishing their lives and being a positive contribution to the world around them. However, we recognise the huge pressures they continue to face and therefore, we believe there is still a long way to go as we continue to learn from them. We believe there are greater depths of development for each young person to achieve so that they do not fall back into exploitation or any other dangerous environment.

If successful, you will be joining a passionate and committed team, with strong expertise. You will find that the team are committed to our values, which has built a culture that seeks to allow everyone to be their best in order to give their best for the sake of the young people we serve. I hope you will find all the information you need in this pack or on www.bacacharity.org.uk to help you complete your application.

We wish you all the best,
Jimmy Zachariah, CEO
