## **Teaching Assistant Role**

The Group the Musical is seeking a teaching assistant to offer support to adults and young people during drama, music and dance sessions for one or two evening sessions per week. This would be a wonderful and rewarding opportunity to work with young people and/or adults with disabilities to support them to learn new performance skills. Under the direction of the Director and other members of the team they would offer assistance in the full sessions and one-to-one support to adults who require this. This would be an ideal position for any candidates with existing experience or background in working with people with disability or special education or seeking to gain experience in this field. There would also be the opportunity to learn new performance skills though background in performing arts is not required.

The Group the Musical is committed to safeguarding and will require candidates to undertake a Disclosure and Barring Service (DBS) criminal disclosure check.
