About the Role

KLS is looking for a Treasurer Trustee to bring financial insight, sound judgement and strategic challenge to our Board. This is a rewarding opportunity to help a community-focused charity stay financially strong, well governed and able to make a lasting difference for people in Battersea and Wandsworth.

What You'll Do

- **Guide Board-level understanding of KLS's finances, risks and long-term sustainability.**
- **Chair the Finance Committee and help turn financial information into clear, confident decisions.**
- **Provide Board level scrutiny of budgets, management accounts, reserves, cash flow, controls and annual accounts, including reviewing income and expenditure, monitoring restricted and unrestricted funds, and supporting year-end reporting.**
- **Provide constructive challenge on funding, strategy, financial planning and major commitments, including grant budgets, funder reporting, reserves planning and financial sustainability.**
- **Champion transparent, ethical financial stewardship that supports safe, effective services.**

- **Contribute to wider discussions on strategy, governance, safeguarding and organisational sustainability, in a more general trustee capacity.**

Who We're Looking For

- **Financial confidence, curiosity and clarity, with the ability to read the numbers and ask thoughtful questions.**
- **Ability to help others engage with finance in a practical, accessible way.**
- **Experience in finance, accountancy, audit, risk, grant management, charity finance, trusteeship or the voluntary and community sector.**
- **Understanding of charity finance, including monitoring restricted funds, reviewing management accounts, supporting reserves policy, preparing for audit or independent examination, and helping trustees understand financial risks.**
- **A professional accountancy qualification is welcome but not essential if you have broader financial leadership or governance experience.**
- **Previous trustee experience is desirable but not essential.**

Equality, Diversity and Accessibility

We welcome applications from people from all backgrounds, especially those with lived experience, community connections or insight into the communities KLS serves. We are committed to an accessible recruitment process and will make reasonable adjustments where needed.
