GlobalARRK is seeking committed, enthusiastic and passionate volunteers to join our Trustee Board.

We are particularly looking for a **Chair** of the Trustee Board, alongside **Trustees** with experience in **HR, domestic abuse, charity governance and fundraising**, who are passionate about **making a difference** and shaping our **future**.

Who is GlobalARRK?

GlobalARRK is the only UK charity supporting “stuck parents” — mostly mothers (98%) who cannot legally return home with their children following international custody disputes. 95% are survivors of domestic abuse. Without GlobalARRK, there is no specialist support available.

‘Because there is nothing like it out there to support women specifically in this position. I felt so alone and now I don’t.’ Stuck Parent Feedback
