

# COULD YOU BE A NEW VST TRUSTEE?

Village Service Trust is a volunteer-run charity supporting partner organisations in Tamil Nadu, south India. Our partners seek to improve livelihoods and social justice through rights-based programmes with rural women, Dalit children and tribal people.

We are particularly interested in recruiting people who could bring experience of fundraising and communications, including digital methods.

## Who we are looking for?

Whether you're an experienced trustee, or someone looking for your first board role, we want to hear from you. This is a chance to join a committed team in their endeavours to make a contribution to a more equal and just world.

We welcome applications from people of all ages, backgrounds and geographical locations.

Are you interested? Would you like to find out more?  
Please contact us at: [enquiries@villageservicetrust.org.uk](mailto:enquiries@villageservicetrust.org.uk)

**Applications close at 23:59 on 3rd May 2024**
