Version. 5

Thank you for showing an interest in applying to be a trustee at Young Barnet Foundation.

I am delighted to invite applications to join Young Barnet Foundation's Board of Trustees. If you are passionate about creating opportunities for children and young people to thrive, please consider applying. You will be joining an organisation that exemplifies Generous Leadership: encouraging members, partners and residents to work together for the greater good. This approach has seen YBF thrive since we were founded in 2015.

YBF's incredible team brought the community sector together to respond quickly and effectively to the impact of Covid-19 and the cost of living crisis. We are at an exciting point where the organisation has built strong strategic relationships with partners through its work and that of Barnet Together. Over the next three years we will be delivering projects to build our members' capacity; raising more money for the sector locally; doing work to help us communicate more effectively about our own and our members' impact, and developing projects which bring our members together with our partners to address the issues we know children and young people in the borough are facing: from holiday hunger, to mental health, to loneliness. Our commitment is to help create a safer, fairer, stronger, and more connected community.

It takes a village to raise a child or in our case a borough.

OUR TRUSTEE RECRUITMENT CAMPAIGN

Our Trustees steer and support Young Barnet Foundation to achieve its objectives. As a Trustee, you will act as an ambassador for YBF.

You will be expected to attend Trustee meetings every other month to join our operational or sub-committee meetings and spend time with our YBF team to support, advice and deliver particular pieces of work relevant to your expertise. Being a Trustee means you are legally responsible for ensuring that YBF is run properly. If you do not know what being a Trustee involves, please look at the [Charity Commission's guidance](#) before you decide whether or not to apply.

We are looking for 4 new Trustees and are particularly interested in candidates with the following:

- Voluntary sector knowledge and expertise with proven experience of working within the not-for-profit sector.
- Fundraising knowledge, especially community fundraising, corporate fundraising and/ or fundraising from trusts and foundations;
- Knowledge and experience of IT and/ or HR to support YBF senior management to manage and streamline effective operations
- The skills and passion to become the Secretariat of the Board (keeping accurate minutes, papers and actions), this is a great introduction for someone wanting to find out more about being a Trustee.

We hope that all Trustees will have:

- Connections within Barnet - with local businesses, schools, faith groups, local government & councilors;
- Experience of the youth sector, as a service user, volunteer or employee.

We care about making sure that YBF is governed by Trustees who represent the community of Barnet. That's why we're running an open recruitment process with 'blind' sifting. That means that someone (not on the selection team) will remove any information which could lead to unconscious bias. 'Blinding' processes has been shown to be an effective way of reducing unconscious bias in application processes.

If you would like to apply, please send a CV and cover letter to info@youngbarnetfoundation.org.uk

- Your CV should list your previous employment and voluntary experience and any relevant qualifications. We'd like to know what you were responsible for delivering, and any achievements you are proud of.
- Your cover letter should explain why you are interested in becoming a YBF Trustee. We'd like to know what skills and experience you will bring and how they will help us deliver our work.

Once we have processed all applications, a panel of YBF staff and trustees will assess skill sets and experience and if we feel you could be a good fit for our organisation, we will be in touch to arrange an interview you.

Diversity & Inclusion

The wonderful organisations and the young people that we serve come from a diverse range of backgrounds - they speak dozens of different languages, have a wide range of ethnic backgrounds and experience a broad range of different traditions, religious and cultural influences. We want our organisation to offer the best possible support to the children and young people's voluntary and community sector. We believe that in order to do that we need to be proactive about:

- Offering all young people, a diverse range of role models;
- Ensuring that our decision-making processes are informed by a range of different perspectives;
- Ensuring that our organisation reflects the community it serves.

We are therefore particularly keen to encourage applicants to our Trustee Board who come from black and minority ethnic communities, who are currently underrepresented on our board.

Our approach in general:

We are committed to ensuring that all applicants are treated fairly and with respect, irrespective of their actual or assumed background including gender, sexual orientation, marital status, age, race (including colour, nationality and ethnic origin), religion/belief or disability.
