

Want to make a difference in your community and develop your own professional skills?

The **University of Chichester Academy Trust** is looking for governors with enthusiasm, time and flexibility to contribute effectively to the role. You do not need to be an expert in education - we would be delighted to hear from anyone who:

- Is interested in children's education and the performance of the school
- Has spare time and the energy for the role
- Has an enquiring mind and the confidence to ask questions and debate issues that affect the school
- Can consider matters objectively and make informed judgements

We look forward to hearing from you.
