

Property Lawyer

Job vacancy

Are you a passionate, gospel-driven lawyer who can help us with our church and charity focussed work?

We are a law firm like no other, providing Christ-centred legal expertise to Christian organisations, combining the skill and specialism of a high-quality law firm with the gospel mission of a Christian charity.

Our team of experienced, Christian property lawyers already serve diverse Christian organisations in a wide variety of unique property work. But we need to grow our existing team to meet the increasing demands of the Christian market we love to serve.

We are looking for a qualified solicitor or legal executive (possibly someone returning to work after a career break) with 1-3 years PQE. You will have experience in commercial property work, and ideally also some knowledge of residential conveyancing. This is an exciting opportunity to grow and develop as a solicitor as you use your gifts to serve the gospel.
