**ALZHEIMER'S
RESEARCH UK** **FOR A
CURE**

WELCOME TO ARUK

If nothing changes, one in two of us will be directly affected by dementia – either by caring for someone with the condition, developing it ourselves, or both. Alzheimer's Research UK exists to change that.

As the UK's leading dementia research charity, we're working to revolutionise the way we treat, diagnose, and prevent dementia. But we won't stop there. We will keep going until we find a cure.

Working for Alzheimer's Research UK, you can be part of a team that is:

- Funding world-leading research into dementia across the UK and beyond. Our Research Network brings together nearly 3,000 dementia researchers, to share ideas, collaborate and accelerate our search for a cure.
- Providing information about dementia to people affected and their families.
- Helping to improve understanding about dementia and the potential for research to cure the diseases that cause it.
- Campaigning to keep dementia research on the political agenda and working to ensure government funding for research is a priority.
- Building a social movement behind our cause, inspiring thousands of people to stand with us to find a cure.
- Providing operational support to enable the charitable objectives to be met.

Alzheimer's Research UK is a fantastic place to work. Our pioneering spirit is reflected in the energy and drive of our employees. As CEO, I am extremely privileged to lead exceptionally talented and passionate teams who have the ambitions and determination to create a world free from dementia. We exist for a cure and, together, we will change lives.

Chief Executive

Research Partnerships Manager

JOB DESCRIPTION

Main Purpose of the Role

Alzheimer's Research UK is the UK's leading dementia research charity dedicated to diagnosis, prevention, treatment, and cure. Backed by our passionate scientists and supporters, we're challenging the way people think about dementia, bringing together the people and organisations who can speed up progress, and investing in research to make life-changing breakthroughs possible.

By working at Alzheimer's Research UK, you will be part of an organisation that has been recognised nationally as an outstanding place to work.

Alzheimer's Research UK has established a number of high profile and strategic programmes of work and a large, growing portfolio of research funded through our response mode schemes over which help us advance our work towards a cure. We are now seeking an experienced Research Partnerships Manager to play a key role in driving forward our research strategy through effective collaboration with external research partners. The successful candidate will be responsible for developing and managing strategic partnerships that advance our work across the department.

Key Responsibilities

Identify, build and maintain partnerships which will push progress for our research strategy;

Strategic Planning:

- Develop a strategic approach to research partnerships, identifying the purpose and benefit for collaboration.
- Contribute to the development of strategic plans by providing insights on potential partnerships that align.
- Monitor industry trends and identify emerging opportunities for collaboration.

Partnership Development:

- Identify and cultivate strategic partnerships with stakeholders aligned with organisational goals. Develop background intelligence on potential partners.
- Collaborate with the Research, Policy and Communications teams to understand organisational priorities and develop partnership opportunities.

Relationship Management:

- Support building and maintaining relationships with existing and potential partners. Support the Leadership Team to maintain a network of partners.
- Coordinate partnership activities to ensure internal alignment.

Proposal Development:

- Lead the development of partnership proposals, agreements, and contracts in collaboration with legal, finance, and research teams.
- Ensure that partnership agreements are aligned with organisational goals and values and meet legal standards.

Performance Monitoring:

- Establish metrics and key performance indicators (KPIs) to measure the success and impact of strategic partnerships.
- Regularly report on partnership outcomes to leadership.

Interactions between Research and other ARUK Teams

- Take part in working groups related to the wider priorities of ARUK.
- Work closely with other teams to ensure that relevant research partnerships with other organisations are well-managed and communicated.

Additional Responsibilities:

- Champion the principles equity, diversity and inclusion in all aspects of the role.
- Continuously develop professional knowledge and skills by on-the-job learning, attending relevant network groups, meetings, and conferences.
- Undertake any other duties, initiatives, and projects in line with the responsibilities of the role.

PERSON SPECIFICATION

Knowledge and Experience:

Essential:

- First Degree (or equivalent) in relevant biomedical science.
- Proven experience in strategic partnership development and management, preferably in the healthcare, research, or charity sector.
- Strong project management skills, with the ability to manage complex projects and partnerships simultaneously.
- Excellent communication and negotiation skills, with the ability to convey complex information to diverse audiences.
- Collaborative mindset and the ability to work effectively with cross-functional teams.

Desirable:

- Knowledge of the dementia research landscape

Skills and Personal Attributes:

Essential:

- Excellent team working skills
- Excellent written and verbal communication skills with different audiences
- Excellent organisational skills
- Highly motivated
- Willing to embrace and drive change
- Ability to build strong working relationships both internally and externally
- Willing to travel, including occasional overnight and international

BENEFITS

Alzheimer's Research UK would not be able to achieve its vision or accelerate progress towards a cure without the talent and dedication of its employees. It is therefore important to offer a range of benefits which are designed to meet both the organisational and individual needs, are market competitive and designed to attract and retain employees.

HOLIDAY ENTITLEMENT

Employees receive 25 days holiday per annum, plus the Statutory Public Holidays. For every 3, 6 and 9 years worked, employees will receive 1 additional day's leave. There is also the option to buy up to 5 additional days holiday per year or carry over 5 days holiday to the following year. This holiday entitlement is pro-rated for new starters and part-time employees.

HEALTHCARE

Employees are offered **Private Medical Insurance**, a **Health Cash Plan**, **Life Insurance** and **Income Protection**. Our **Employee Assistance Programme** provides employees and their family members additional support on problems which may be impacting their work/home life, health and wellbeing and is available 24 hours a day, 365 days a year.

SICK PAY

We offer enhanced Company Sick Pay, where employees receive their normal pay for up to 13 weeks (65 days) of absence through illness in any rolling 12-month period. This is pro-rated for part-time employees.

PENSION

Subject to the eligibility criteria, employees are enrolled in our pension scheme but can opt out if they so wish. The charity contributes 5% and employees contribute a minimum of 4%.

CYCLE TO WORK SCHEME

Employees can purchase a commuter bike, clothing and accessories, whilst spreading the cost over a 12-month period and making savings through a tax break.

FAMILY FRIENDLY POLICIES

Our Family Friendly Policies have been designed to support employees by offering different types of leave that may be taken. Subject to the eligibility criteria, we also offer enhanced pay.

LEARNING & DEVELOPMENT

My Learning, Our Breakthroughs programme has been designed to enable employees to develop their skills, knowledge and behaviours, add value and drive organisational success.

TERMS OF APPOINTMENT

- Contract Type:** Permanent
- Salary:** Circa £43,000 per annum
- Working Hours:** 35 hours per week
- Ways of working:** As part of our Agile ways of working you will be required to work approximately 2 days a week from the office, which is subject to the requirements of the role and the business needs. Flexibility on where you work can be split between working from home and our office.

Roles that are classed as part of the Agile ways of working are not able to claim any costs for Mileage/Travel on Public Transport, Accommodation and/or Meals. This includes when attending the office for various meetings/events.

OUR OFFICE

Our office is at 3 Riverside, Granta Park, Great Abington, Cambridge, CB21 6AD.

Granta Park sits next to the River Granta and has its own lake and three woodland walks. It is home to a variety of wildlife and has a range of amenities to provide a convenient work-life balance, including Nuffield Health Fitness & Wellbeing Centre and a restaurant.

There is a good public transport system with a frequent bus and train service from the city centre and surrounding areas, along with a commuter bus service which picks up from both Cambridge Train Station and Whittlesford Parkway Station. The park also offers a free car sharing scheme and free parking.

HOW TO APPLY

We value diversity and are committed to creating an inclusive culture where everyone can be themselves and reach their full potential. We actively encourage applications from people of all backgrounds and cultures, in particular those from ethnic minority backgrounds who are currently under-represented. Any offer of employment is however subject to you having the right to work in the UK.

As part of our commitment to be an inclusive employer and ensure fairness and consistency in selecting the best candidate for this role, your CV will be anonymised as part of the selection process. Should you need any adjustments at either the application or interview stage, then please do contact us at recruitment@alzheimersresearchuk.org

To be considered for this role, please create an online account using our Online Recruitment Platform, via your desktop or mobile device, which can be accessed through our [Job Vacancies page](#).

Once you have created your online account, you will be able to apply for this role, and can attach your CV. You will also be able to track your application, view other vacancies and sign up for future job alerts.

Your supporting statement should summarise the following:

- Why you are interested in applying for the role.
- How your skills, knowledge and experience meet the requirements of the person specification.

The closing date for applications is **12th May 2024**, with interviews likely to be held week commencing the **20th May 2024**. We would encourage you to submit your application at the earliest opportunity as the closing date may be brought forward at any time. Please indicate in your covering letter if you are unable to attend an interview on a certain date.

GENERAL DATA PROTECTION REGULATIONS (GDPR)

CVs will be kept by Alzheimer's Research UK in line with the General Data Protection Regulations.
