RESEARCH UK** **FOR A  
CURE**

## WELCOME TO ARUK

If nothing changes, one in two of us will be directly affected by dementia – either by caring for someone with the condition, developing it ourselves, or both. Alzheimer's Research UK exists to change that.

As the UK's leading dementia research charity, we're working to revolutionise the way we treat, diagnose, and prevent dementia. But we won't stop there. We will keep going until we find a cure.

### **Working for Alzheimer's Research UK, you can be part of a team that is:**

- Funding world-leading research into dementia across the UK and beyond. Our Research Network brings together nearly 3,000 dementia researchers, to share ideas, collaborate and accelerate our search for a cure.
- Providing information about dementia to people affected and their families.
- Helping to improve understanding about dementia and the potential for research to cure the diseases that cause it.
- Campaigning to keep dementia research on the political agenda and working to ensure government funding for research is a priority.
- Building a social movement behind our cause, inspiring thousands of people to stand with us to find a cure.
- Providing operational support to enable the charitable objectives to be met.

Alzheimer's Research UK is a fantastic place to work. Our pioneering spirit is reflected in the energy and drive of our employees. As CEO, I am extremely privileged to lead exceptionally talented and passionate teams who have the ambitions and determination to create a world free from dementia. We exist for a cure and, together, we will change lives.

# **RESEARCH PROGRAMMES MANAGER**

# JOB DESCRIPTION

## Main Purpose of the Role

Alzheimer's Research UK is the UK's leading dementia research charity dedicated to diagnosis, prevention, treatment and cure. Backed by our passionate scientists and supporters, we're challenging the way people think about dementia, bringing together the people and organisations who can speed up progress, and investing in research to make life-changing breakthroughs possible.

We have established a number of high-profile strategic initiatives to help us advance our work towards a cure. We now have an exciting opportunity for a Research Programmes Manager to support the successful ongoing delivery of some of these major initiatives and collaborate across the organisation and externally to maximise their impact.

This role sits within the Strategic Programmes team in the Research Directorate, an ambitious, supportive and friendly team that funds the best research to transform the lives of people affected by all forms of dementia. We're looking for someone with strong programme management experience, a good eye for detail and who is excited by the opportunities in the dementia research landscape.

## Key Responsibilities

**Lead the delivery of two of ARUK's major initiatives, Drug Discovery Alliance (DDA) and Brains for Dementia Research (BDR), and other initiatives as required:**

- Implement robust and proportionate review processes to oversee delivery of objectives and manage risks, including delivery of Quinquennial Reviews for both initiative.
- Ensure finances are effectively reported on and managed, working with the Research Funding and Finance teams
- Lead the preparation of papers and briefings for meetings, and support the Research Officer to ensure minutes and actions are captured and followed up on

**Monitor and disseminate the impact of the DDA and BDR, to effectively tell the story of the initiatives and identify gaps:**

- Work with the Impact Officer to ensure data gathered from the programme meets the needs of the wider organisation in terms of communicating progress and impact
- Collaborate with teams across ARUK to provide reporting updates and promote successes
- Build strong relationships with people working within the initiatives, working with the Senior Research Manager and Partnerships Manager to identify further opportunities to maximise their value
- Work with the Public Involvement team to ensure the initiatives are reflective of the needs of people with lived experience

**Support development of the strategic programme team's strategy:**

- Maintain up to date knowledge of developments in the dementia research field

- Contribute to internal meetings, including discussions and content on strategic programmes and new initiatives

**Line Management Responsibilities:**

- Line management of a Research Officer, effectively delegating work to support delivery of their objectives
- Help to promote an inspiring team culture where personal development is prioritised

**Additional responsibilities:**

- Champion the principles of equity, diversity and inclusion in all aspects of the role.
- Continuously develop professional knowledge and skills through on-the-job learning, attending relevant network groups, meetings, and conferences.
- Undertake any other duties, initiatives, and projects in line with the responsibilities of the role.

# PERSON SPECIFICATION

## Knowledge and Experience:

### Essential:

- A degree in relevant biomedical science or equivalent experience
- Proven experience managing large programmes of work, preferably in the healthcare, research or charity sector
- Strong project management skills, with experience managing multiple priorities, overseeing budgets and identifying risks
- A team player who can collaborate effectively with a range of stakeholders internally and externally to deliver
- Strong communication skills with the ability to convey complex information to diverse audiences

### Desirable:

- Knowledge of the dementia research landscape
- Previous line management experience
- Experience evaluating research programmes

## Skills and Personal Attributes:

### Essential:

- Commitment to ARUK's vision, mission and values
- Excellent eye for detail with a focus on continuous improvement
- Willingness to embrace and drive change to maximise impact
- Excellent time management skills and ability to prioritise competing demands
- Ability to work independently
- Willingness to travel, including occasional overnight travel

# BENEFITS

Alzheimer's Research UK would not be able to achieve its vision or accelerate progress towards a cure without the talent and dedication of its employees. It is therefore important to offer a range of benefits which are designed to meet both the organisational and individual needs, are market competitive and designed to attract and retain employees.

## HOLIDAY ENTITLEMENT

Employees receive 25 days holiday per annum, plus the Statutory Public Holidays. For every 3, 6 and 9 years worked, employees will receive 1 additional day's leave. There is also the option to buy up to 5 additional days holiday per year or carry over 5 days holiday to the following year. This holiday entitlement is pro-rated for new starters and part-time employees.

## HEALTHCARE

Employees are offered **Private Medical Insurance**, a **Health Cash Plan**, **Life Insurance** and **Income Protection**. Our **Employee Assistance Programme** provides employees and their family members additional support on problems which may be impacting their work/home life, health and wellbeing and is available 24 hours a day, 365 days a year.

## SICK PAY

We offer enhanced Company Sick Pay, where employees receive their normal pay for up to 13 weeks (65 days) of absence through illness in any rolling 12-month period. This is pro-rated for part-time employees.

## PENSION

Subject to the eligibility criteria, employees are enrolled in our pension scheme but can opt out if they so wish. The charity contributes 5% and employees contribute a minimum of 4%.

## CYCLE TO WORK SCHEME

Employees can purchase a commuter bike, clothing and accessories, whilst spreading the cost over a 12-month period and making savings through a tax break.

## FAMILY FRIENDLY POLICIES

Our Family Friendly Policies have been designed to support employees by offering different types of leave that may be taken. Subject to the eligibility criteria, we also offer enhanced pay.

## LEARNING & DEVELOPMENT

My Learning, Our Breakthroughs programme has been designed to enable employees to develop their skills, knowledge and behaviours, add value and drive organisational success.

## TERMS OF APPOINTMENT

- Contract Type:** Permanent
- Salary:** Circa £43,000 per annum
- Working Hours:** 35 hours per week
- Ways of working:** As part of our Agile ways of working you will be required to work approximately 2 days a week from the office, which is subject to the requirements of the role and the business needs. Flexibility on where you work can be split between working from home and our office.

Roles that are classed as part of the Agile ways of working are not able to claim any costs for Mileage/Travel on Public Transport, Accommodation and/or Meals. This includes when attending the office for various meetings/events.

## OUR OFFICE

Our office is at 3 Riverside, Granta Park, Great Abington, Cambridge, CB21 6AD.

Granta Park sits next to the River Granta and has its own lake and three woodland walks. It is home to a variety of wildlife and has a range of amenities to provide a convenient work-life balance, including Nuffield Health Fitness & Wellbeing Centre and a restaurant.

There is a good public transport system with a frequent bus and train service from the city centre and surrounding areas, along with a commuter bus service which picks up from both Cambridge Train Station and Whittlesford Parkway Station. The park also offers a free car sharing scheme and free parking.
