

## Vision and Mission Statement

**Matrix is** a local Christian charity dedicated to improving the lives of young people in Guildford.

### **Our Vision**

We look forward to the day when the community celebrates young people, giving them hope and opportunity so they can realise their unique potential and be fully engaged in life.

### **Our Mission**

***We are on a mission to catalyse change for vulnerable young people, helping them to make the most of their lives.***

### **Our Model**

We build long-term relationships with vulnerable young people, across Guildford, providing activities within schools and the community to nurture, inspire, connect and empower them.

### **Our Objectives**

We aim to **NURTURE** young people.

*We care for their needs so they are not left socially excluded by their vulnerabilities.*

We aim to **INSPIRE** young people.

*We offer them hope in the future and opportunities to discover and achieve their potential.*

We aim to **CONNECT** young people.

*We provide opportunities for young people to engage with each other and their community*

We aim to **EMPOWER** young people.

*We give them the tools to stand strong so they can advocating for themselves and engage in their community.*
