Coventry Citizens Advice

Introduction from Vicki Fitzgerald (interim) Chief Executive

Thank you for your interest in volunteering with us at Coventry Citizens Advice.

We are a free, independent, advice-giving charity.

Since we started in the 1940's, volunteers have provided a major contribution to our work and in the current cost-of-living crisis, we need volunteers to provide advice as part of our essential service to the people of Coventry.

From fuel poverty to welfare benefits, housing issues to food vouchers, we give people the knowledge and confidence they need to find their way forward – whoever they are, and whatever their problem. For everyone, for over 80 years.

Our volunteers say that time spent with Coventry Citizens Advice is incredibly rewarding.

"I know that my time volunteering at Coventry Citizens Advice makes a positive difference to some of the most vulnerable people in the city. Not only that but I'm learning new skills and meeting lots of different people. I really enjoy what I do."

(Yalda, Reception Volunteer)

Please take a few minutes to read through this pack to understand the roles which may be on offer and what we look for in our volunteers.

Finally – thank you! We couldn't do our work without the support of people like you who are prepared to give their time to help others.

Coventry Citizens Advice at a glance

Our vision is to make society fairer. We do this one person at a time, helping people solve their individual problems and build resilience for the future.

Every year, we produce an Impact Report which gives an overview of the work we have done to help the clients of Coventry over the past 12 months. Here's some highlights of 2023-2024...

Volunteers are particularly needed in our ASK service which is the “front door” into the organisation for many clients who come with a range of needs from benefit and employment enquiries to housing and consumer issues.

In addition to the ASK team we have a number of projects which focus on particular communities in need. These include clients who are:

- Looking for support with debt issues
- Needing advice with energy issues
- Undergoing treatment for cancer
- Living with HIV or TB
